DATE: 2 - 23 - 83

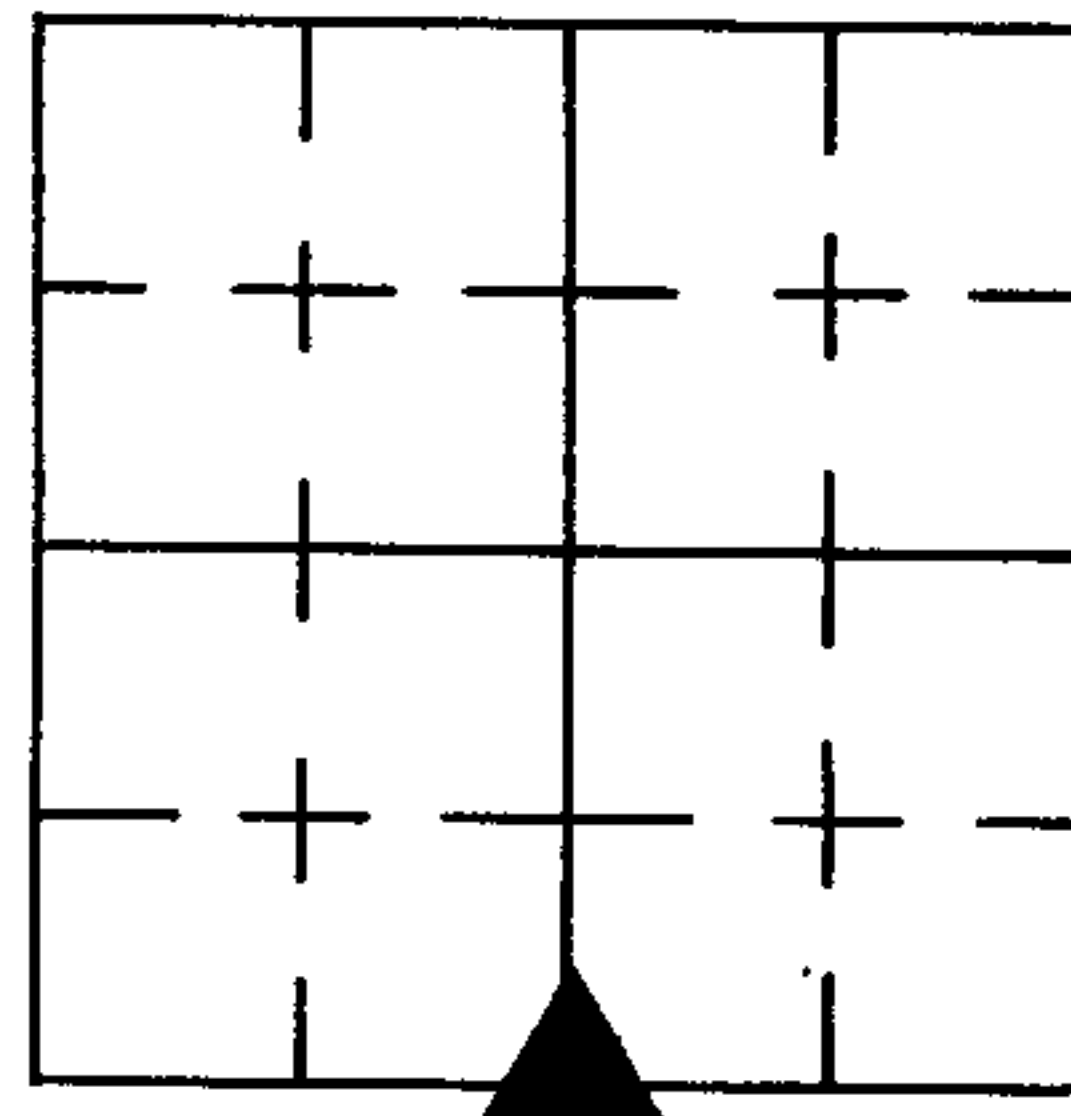

CREW: P.C. - Green

INST. - Hunter ROD. -

TYPE of MARKER: none COND. of MARKER: -

METHOD of ESTABLISHMENT: This location lies inside the Fort Benjamin Harrison  
ammunition dump, therefore no point was set. Mathematical information on its location  
is available off the Fort Benjamin Harrison survey by Schneider Engineering (certified  
11/16/81).

CORNER HISTORY: Original survey by William B. Laughlin, Deputy Surveyor in 1821. Post set at corner. Witnesses were: 12 inch Beech bearing South 8° West a distance of 12 links and 8 inch Beech bearing North 2° East a distance of 16 links. There have been no legal surveys involving this corner. A survey of the boundary of Fort Benjamin Harrison certified by John V. Schneider (Schneider Engineering) on November 16, 1981 shows the corner and gives distances and bearings to corners to the east and west. No monument was set.
